# **SPECIAL ANNOUNCEMENT**

Dear Fellow Karateka

Please find enclosed details regarding a very special  
**'OPEN TO ALL'**

Karate Course that is to be held in the West Country on 31<sup>st</sup> of May 2009. I am delighted to inform you that this, the first of a series of Open Courses, will feature as guest instructor the legendary Shotokan Fighter:

**ELWYN HALL 5<sup>TH</sup> DAN.**

Full details of the course are enclosed but please be aware that this course has drawn great interest already and I strongly advise that you book in advance to secure places, as course numbers will be limited to ensure everyone gets full value from the event.

This course is an 'OPEN' event design to allow Karateka to come together to train - free from organizational limitations and the politics that have plagued karate for far too long. All we ask is that participants come along with a friendly attitude. I personally assure you that you will all be made most welcome.

I also pleased to announce that this course is being held in association with - and with the support of - the increasingly popular on-line Shotokan Karate Magazine and Research Centre: The Shotokan WAY and the world's leading supplier of Shotokan DVD's: Legend Productions.

Should you require any further information please do not hesitate to e-mail me at [Hylandhill@AOL.COM](mailto:Hylandhill@AOL.COM) and I will be pleased to be of assistance.

Very best wishes  
Yours in Karate Do

# **ELWYN HALL 5<sup>TH</sup> DAN**

Few will need introduction to this outstanding Karateka who burst onto the tournament circuit with his explosive array of punches, kicks, sweeps and throws.

His list of individual and team triumphs in both national and international competition speaks volumes but still does not fully convey the level of the skilled and consistent accomplishments he achieved in an era when British Karate was packed with fighters of the highest calibre.

Elwyn Hall's dynamic and totally unpredictable style of fighting would have opponents reeling in awe at his powerful and super fast, ferocious attacks. Spectators would literally jump to their feet and scream their approval and admiration for the awesome display of techniques he consistently demonstrated.

Elwyn Hall brings this same zest and energy to the Dojo and has become a very popular instructor both here in the UK and abroad.

This is your chance to sample his knowledge and skill in a friendly and open atmosphere – we strongly recommend that you take this opportunity to come along and enjoy a day receiving instruction from this renowned Karateka.

This course has already drawn much attention and we would advise you to book a place in advance to avoid disappointment - as course participant numbers will be limited to ensure everyone gains the most possible from the event.
